### Manchester Cathedral

Dean: The Very Revd Rogers Govender.

Manchester Cathedral is set in the heart of the city centre with huge commercial and social challenges. Lockdown has had a huge impact on our ministry given the job losses and closure of many businesses around us. The next few months and years will be focused on a recovery plan to rebuild our spiritual life and the social fabric of our city centre. I would value prayers for the appointment of our new Cathedral Digital Officer (CDO) and the re-opening of our Café and Visitor Centre; and the coming staff changes in 2022.
